DATED: 7-9-2006

Between:

And

The General Manager (P&A),
A.P.Dairy Development Corporation Federation Ltd
Lalapet, Hyderabad and another **Respondents**

THE HON'BLE SRI JUSTICE N.V.RAMANA

WRIT PETITION NO. 18406 OF 2006

ORAL ORDER:

This writ petition is filed questioning the action of the respondent in not releasing the pension and other benefits of her husband.

The brief facts necessary for disposal of the writ petition are that the husband of petitioner while working with the first petitioner corporation as Senior Driver died on 24.11.2005. Subsequent to the death of her husband, the petitioner submitted a representation on 9.3.2006 to release the Pension, Gratuity and other attendant benefits pertaining to her husband. Then she was informed that her husband was removed from service vide orders dated 15.7.1997 on the ground of unauthorized absence. After several persuasions, the Managing Director, Nellore District Milk Producers Mutually Aided Cooperative Union Limited has addressed a letter on 24.3.2006 to the first respondent to inform the guidelines for onward submission of terminal benefit papers to the Head Office, as per the eligibility. It is alleged that no further action was taken in the matter. Hence, the present writ petition.

Heard the learned counsel for petitioner and learned Standing Counsel for first respondent corporation. Both the counsel agreed for disposal of the writ petition at the admission stage with a direction to the first respondents to dispose of the representation of the petitioner.

Having regard to the facts and circumstances of the case and in

view of agreed stand taken by both the counsel, I deed it appropriate to dispose of the writ petition with the following direction;

The first respondent is directed to act on the recommendations/letter of the second respondent dated 24.3.2006 and pass appropriate speaking orders in accordance with law expeditiously, preferably within a period of six weeks from the date of receipt of copy of this order.

Accordingly, the writ petition is disposed of. No costs.
